State of Rhode Island and Providence Plantations Employee's Withholding Allowance Certificate

If you have more than one job or your spouse works, you should figure the total number of allowances you are entitled to claim. Your withholding usually will be more accurate if you claim all of your allowances on the Form RI W-4 for the highest-paying job and claim zero on all of your other RI W-4 forms. You may reduce the number of allowances or request that your employer withhold an additional amount from your pay, which may help avoid having too little tax withheld. Also, keep in mind that if your annual wages exceed \$217,350, your exemption amount will be phased out and be equal to zero.
